

How do I implement KidEntrepreneurship.com in my school?

- The program can be taught with or without a classroom teacher.
- The program is mobile friendly.
- Digital Teacher Manuals are provided.
- Teachers do not need an entrepreneurship background.
- Program can be part of a STEM curriculum.
- K - 2nd grade program is 5 classes / 1 hr each (2 days of student presentations).
- 3rd - 5th grade program is 16 classes / 1 hr each (2 days of student presentations).
- 6th - 8th grade program is 16 classes / 1 hr each (2 days of student presentations).
- On student presentation days, we suggest parents are invited.
- Contact us at info@kidentrepreneurship.com for additional information.
